## ABOUT US

Gamlaa, established in 2013 in Hyderabad, with a vision to take Greenery to the doorsteps across the country, has transformed itself into an innovative, efficient, and highly reliable GREENERY PARTNER to a large number of significant and swanky corporate workplaces in India.

EDITION  
SNOWWHITE

White is a sophisticated colour for your room. It's simple, classic, and adds a refined touch to any environment. You may combine it with other hues of white or different materials, such as wood, metal, glass, and even stone, to give your room a distinct personality and character.

# ROVER L-SERIES

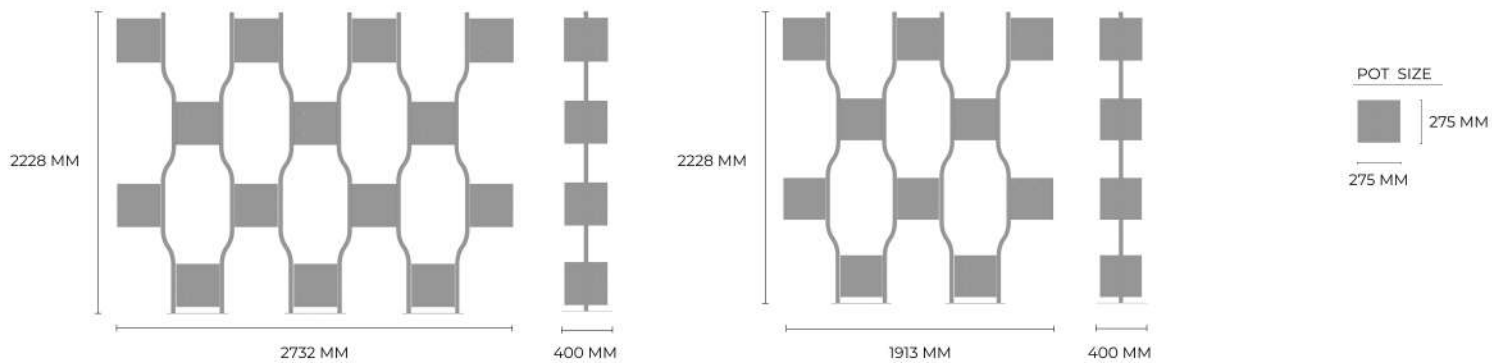

Inspired by the profile and size of a traditional English grill, Rover's emblematic form is re-conceived for the new millennium with a creative space divider.

Flexible enough to be used on its own and ideal when paired with other modules in the Rover system, this grill speaks of luxury, craftsmanship, and innovative design.

PREFERRED PLACE- CAFETERIA/WORKSPACE

## DIMENSIONS

EDITION  
CARBON BLACK

Overwhelming presence, carbon black is the most favored hue among the stylish set. Black is an elegant hue that makes a statement and leaves an indelible impression on everyone. Carbon black produces a spectacular appearance in workspaces.

# ROVER S-SERIES

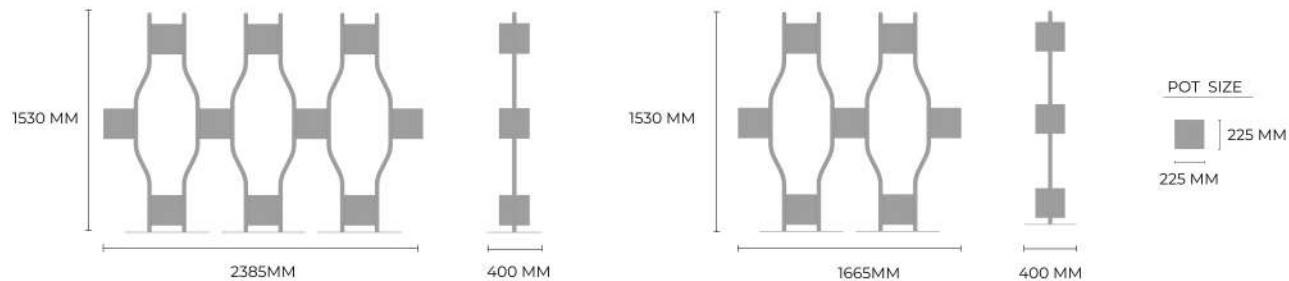

Inspired by the profile and size of a traditional English grill, Rover's emblematic form is re-conceived for the new millennium with a creative space divider.

Flexible enough to be used on its own and ideal when paired with other modules in the Rover system, this grill speaks of luxury, craftsmanship, and innovative design.

PREFERRED PLACE- CAFETERIA/WORKSPACE
