Natural Collection

Schefflera

MEDIUM FOLIAGE

SCHEFFLERA

Lighting Conditions	☀ Medium 2000-4000K
Water Requirement	Water your Schefflera until the soil dries out completely & then thoroughly soak while watering.
Humidity	Moderate
Temperature	18-32 °C
Benefits	Schefflera plants purify the air in your home, filtering out pollutants like benzene, formaldehyde, and toluene from the air. They are particularly good at removing toxins released into the air as a result of cigarette smoke.
